NOTICE TO WATER USERS.

State Engineer's Office,

Salt Lake City, Utah, Feb. 14, 1907.

Notice is hereby given that Brigham Rees, whose postoffice address is Calder's Station, Salt Lake City, Utah, has made application in accordance with the requirements of Chapter 108, Session Laws of Utah, 1905, to appropriate six (6) cubic feet per second of the water from Mansfield Spring branch of Jordan River, Salt Lake County, Utah. A series of dams will be maintained in the natural channel of said stream, the first of which is situated at a point which lies 73.4 feet south and 253 feet west of the west quarter corner of Section 29, Township 1 south, Range 1 east, Salt Lake base and meridian. The last of the series of dams is situated at a point which lies 73.4 feet south and 896.5 feet west from the corner above described. The ponds or runways created by the maintenance of these dams will be used from January 1st to December 31st, inclusive, of each year, for fish culture purposes. After having been so diverted and used, the water will be returned to the natural channel of the stream at the point last above described. This application is designated in the State Engineer's Office as No. 1148.

All protests against the granting of said application, stating the reasons therefor, must be made by affidavit in duplicate and filed in this office within thirty (30) days after the completion of the publication of this notice.

CALEB TANNER,
State Engineer.
